

The answer to this month's puzzle is an 8-letter English word.

These are the best moves I arrived at.

1st board: H1H7

2nd board: D4C6

3rd board: E2E8

4th board: A3A5

Rearranging this on the basis of the ascending order of numbers, we arrive at an 8-letter English word "HEADACHE".

"HEADACHE" is the solution to above puzzle.

This is also the official solution released by Jane Street.
